Cohort outcomes report

PARTNER: SAMPLE TRAINING PROGRAM
COHORT: SAMPLE-01
PERIOD: 13 WEEKS

SAMPLE: illustrative data, not real technicians or a real program

TECHNICIANS	PAID FIELD HOURS	MET 40-HOUR GOAL	NEXT STEP SET
6	312	6 of 6	6 of 6

Per-technician summary

Technician	Track	Paid hours	Sites	Job types	Skills signed off	Next step
Tech 1	IT support	56	7	Break-fix, imaging	4 of 5	Continued contract work
Tech 2	IT support	48	6	Deployments, RMAs	5 of 5	Referred to employer
Tech 3	Network	52	5	AP installs, testing	4 of 5	Continued contract work
Tech 4	Cabling	60	4	Drops, terminations	5 of 5	Hired by client
Tech 5	POS	44	8	Lane installs	3 of 5	More hours planned
Tech 6	Data center	52	3	Rack and stack	4 of 5	Referred to employer

Skills checklist (example: IT support)

Skill	How it's signed off
Arrives, checks in and briefs the site contact	Lead tech observes on 3 jobs
Images and deploys a workstation	Completed to checklist without help
Diagnoses and swaps a failed component	Lead tech observes; RMA filed correctly
Documents close-out: photos, serials, sign-off	Report accepted without corrections
Communicates delays and changes	No unreported issues across all jobs

How to read this report

Paid hours are hours on client job sites, paid to the technician. Sites count unique locations. Skills are signed off by an Infotek lead tech against the checklist for the technician's track. We deliver this report as a spreadsheet for your case-management system or as a PDF for your board and funders.
